

# Introducing one of our new members

## Hello,

My name is Jenny and I have been a Lion with Swanwick Lions since May 2021, when I joined our happy band of volunteers. I have been made so welcome by the group and get involved as much as I can in serving our wonderful community.

I moved to the area after living in the US for a couple of years. Being new to Locks Heath this has been a great way to make friends and make a worthwhile contribution.

I have two part time jobs so time can be limited but I still manage to get involved with fundraising events. I now carry out the minute taking for our monthly meetings and am a designated youth officer for the group. I have recently been involved with helping local scouts get started with their fundraising for Project 23 and the Jamboree for 2023 which involves local 8 Scouts from various groups all attached to the West Fareham District Scouts.

I was worried when I first joined that I wouldn't have the time to commit to too much but there is never any pressure, there is a flexible approach by all and family and work always comes first. I love being part of this amazing group of people serving our community.

### Meetings

We meet once a month on the **1st Wednesday of each month at Sarisbury Green Community Centre 7.30pm**

If you'd like to find out more about Swanwick Lions Club please **contact: [swanwicklions.org.uk](http://swanwicklions.org.uk)**

## Next Project

To raise **£3000.00** for **Prostate PSA Testing Event**

This will be at Sarisbury Green.

18th February 2023  
more details in the new year

A delivery of essentials to help keep the food store, at Help Hub at Waypoint Church, functioning. A very much needed resource for our community

### Fun Time

A beautiful evening with friends and family at Quiz night at The Jolly Farmer pub. Profit from this event going into our Prostate PSA Testing Event in Feb 2023
